**Re: Monaco Construction Group Limited**

Jerilyn Wright & Associates has been an interior design firm incorporated for 26 years. Over the years we have worked with Monaco Construction Group on many projects and have enjoyed great success with them.

Monaco exhibits a high level of professionalism in dealing with our clients and their sub-trades.

We always enjoy working with Monaco as they are respectful of budgets, timelines and details. They strive for excellence in construction and ultimately the goal of satisfied clients.

We would not hesitate to recommend Monaco Construction Group and we look forward to our continued relationship with them.
